To Whom It May Concern:

I have had the privilege of working with Gary Mandarich and Mandarich Developments since 2000. I believe it is an honor to write a testimonial letter for them. My relationship with him has been one of mutual professional respect along with years of friendship. My role as Broker of my Real Estate Sales Company has been the impetus for the relationship, but the relationship exists because of a deep level of trust and respect.

Over the years Gary Mandarich has been a vital part of the growth of County Wide Realty. Through the years he has developed projects throughout the area, many of them being beautiful, award winning projects. The buyers of the homes recognizing the quality and thoughtfulness that he has poured into his homes. The praise of the buyers ranging from the design of the home, the placement on the lots to the finishing touches inside their homes. Gary Mandarich ultimately gives the best value for the buyer's dollar and still accomplishes the goal at hand, a beautiful well thought out new home community. The relationship with Gary Mandarich does not simply end with design/mapping of the project. Instead he is involved throughout the project, explaining his and his staff's thoughts asking the opinion of those of us who are involved and actually listening. He communicates any unexpected challenges or opportunities and takes full advantage of implementing a great design. Ultimately Gary Mandarich' joy comes in from seeing the functionality, design and appreciation of each of his communities and homes.

I have no reservation in supplying Gary Mandarich/Mandarich Developments a testimonial from me personally and my company County Wide Realty. Please don't hesitate to contact me with any further information regarding Gary Mandarich.

Respectfully,
