Dear Mr. Mandarich,

My wife, Diane, and I live in one of your previous developments, Visage in Fair Oaks, California. We have enjoyed our home here for almost 10 years now. I am writing to express my satisfaction with the quality of the community of homes you created here. We have been extremely happy with your overall vision for our beautiful community. The construction is top-notch and the detail is impeccable in every one of the twenty-two unique homes. Of extreme importance is your company's commitment to provide service when any problems have arisen. Your employees have always been prompt and capable of solving the few little glitches that have presented in our home. We just want to thank you for the wonderful place you created for us to live.

With kindest regards,
